Dear James

I certainly hope that you enjoyed IMPAC conference weekend in Quebec City as much as I did. The format that we used this year certainly worked towards bringing our partners and our relationships closer. The workshops and social functions provided us all with a lot of valuable information.

IMPAC is growing stronger as an association and your support is imperative to our continued growth. I am thrilled to remain as President for a second year in order to continue the direction that the board has taken.

I would like to thank you for your generous contribution to the IMPAC 2005 Conference. The interaction between TACcom and the audience seemed to work very well. We look forward to a long term relationship between TACcom and IMPAC.

Thank you so much for your support and participation. I hope to see you again very soon.

Warm Regards
